SUGGESTED WORDING OF YOUR WILL

Thank you for considering including a gift to Newington in your will. Your actions today will benefit generations of Newington boys in the years ahead.

A will is a legal document therefore it is in your best interest to ensure that the wording is precise and does not include statements that can be misinterpreted. It is important that the Newington Foundation is clearly identified in the wording of your will. The Newington Foundation oversees and guides all fundraising activities, donations, legacies, and bequests on behalf of Newington College.

After providing for your loved ones, we suggest that you use the following:

"I leave to the Newington Foundation ABN 41 645 428 600, the whole of my estate [or... the residue of my estate / or % of my estate / or the sum of \$... / or description of property] free from all duties and deductions, to be applied for its general purposes in such a manner as the Newington Foundation may determine [or name a specific purpose or area such as scholarships, buildings, library, archives, etc.].

The receipt in writing of an authorised officer of the Newington Foundation shall be a sufficient discharge to my executor and/or trustee."

We encourage you to discuss your wishes with us and any specific area you would like your gift directed.
